Thanks for the update. I can set up a line if it would help on your end. It may just be me on my end. I am not sure I am going to get around to getting you a draft before then but can discuss in detail on the phone...  
Talk to you soon!

Candice,

I just wanted to email you quick to let you know that Catherine Neuschler and Wendy Turri might join our meeting this afternoon at 2. They both told me yesterday that if they are in the office that they would like to connect in to hear where things were at with the draft letter. Also, they all felt okay with you sending a copy of the draft letter prior to the call.

Thank you,
